CSE 512 Spring 2017
Project Phase 4 Requirement

Description

This phase will focus on documenting and presenting your work in the previous phases. It consists of two tasks

Task 1

Prepare a document highlighting the work in phase 1-3. The document should be at most 10 pages. It should follow the ACM format

Task 2

Prepare a poster/powerpoint highlighting your work in the project. The poster should show your observations and implementation

Hints

- You should be able to explain your implementation of the phases and the statistics you accumulated in phase 2
- It would be useful to show the graphs you created in phase 2. Specifically the utilization of resources by each node
- Please submit your report on Blackboard with the filename <groupname>.zip
